This setting was composed especially for use at the Church of S. John Baptist, Kensington. It is suggested that the portions marked "Choir I." should be sung by a hidden Quartet, and the portions marked "Choir II." by the Full Choir in the Chancel. If this arrangement of voices should be found impossible or undesirable, the setting may be sung antiphonally—Decani taking "Choir I." and Cantoris "Choir II."—H. W.
